#### Analyzing the Police Report.

To the Editor of The Post. Houston, Texas, June 3.-Our real estate men are showing up the resources of this great country, the manufacturing association is keeping before the world our progress and needs in that line, our Young Men's Christion Association and Crittenton mission and our charity associations tell what is being done for the unfortunate and the erring, and now comes our chief of police and gives to the world a detailed account of the visible output of our crime factories. This is well, so persons coming here from abroad will see the evil as well as the good.

The report is all right, but there are a The report is all right, but there are a few startling facts revealed.
